Commission's Secretary, Office of the Secretary,
Federal Communications Commission:

This letter is to request a waiver of the filing window deadline for Form 471. I apologize for the inconvenience. I lost track of time and made a late request for a contract to the vendor who won the bid. When the contract was sent it was incorrect. At this time I still do not have a correct contract for our continuing services. I am including copies of the incorrect contract and the correct contract from last year which is being renewed. Would I be able to receive a waiver of the Form 471 filing window please? Thank you for your support in this matter.

Please contact me if you require more information.

Sincerely,

Tabby Selakovich
